RE: *John Allen, Jr. et. al v. City of Houston, et. al*
Cause #: 4:18-cv-00171
U.S. District Court for the Southern District of Texas, Houston Division

Ms. Lewis:

Pursuant to the Court order [Doc. 12], attached is a thumb drive that contains the relevant files listed in the Defendants City of Houston and Justin Hayes' Initial Disclosures plus the personnel files for the named officers. These documents are bates labeled as COH/Allen #000001-001964. The thumb drive has been inspected and all files can be opened accordingly. Please note that the working video files (bates #000288-000293) have been placed in a separate folder labeled "video (working)." Files #000290 and 000293 can be viewed from the thumb drive. Files #000288, 000289, 000291 and 000292 are DVD format and thus, can only be viewed on a DVD machine.

Bates #001955-001964 are duplicate copies of the videos that cannot be open due to software issues; but have been left on the thumb drive as such were previously included on the disc previously produced to you.

As you know, a disc containing the information referenced above was hand-delivered by my paralegal yesterday to Ms. Jennings. The contents of the disc were inspected and all files can be opened based on the explanation above on the videos. The only difference between the thumb drive and disc is mentioned above.

Should you have any problems, please let me know as soon as possible.

Best regards,

Jennifer F. Callan
